

### About the Road Index

The Road Index is an alphabetical list of common named roads located in St. Louis County. The road name is accompanied by the corresponding page and section number in which the road is located. Many roads located within municipalities have been excluded from this index due to scale and duplication of names in different geographic areas (e.g., "1st Street").

## About the 2024 Land Ownership Index

Previous versions of the St. Louis County Land Atlas and Plat Book (through 2012) contained a full Land Ownership Index. To accommodate space considerations for the 2024 "full county" Land Atlas and Plat Book, the Land Ownership Index is being made available as an online document that can be viewed or printed. See [www.stlouiscountymn.gov/platbooks](http://www.stlouiscountymn.gov/platbooks) for details.
