PROHIBITED BUYERS OR BIDDERS (DELINQUENT TAXES)

Anyone with delinquent real or personal property taxes in St. Louis County is prohibited from purchasing state tax-forfeited land.

If you are interested in purchasing tax-forfeited property on the available list or at a public auction, you must pay all your delinquent taxes prior to purchasing or bidding.

AVAILABLE PROPERTIES LIST

Properties that do not sell at auction will be available over the counter on a first come, first served basis for the total price listed on each tract. Offers to purchase for less than what is listed cannot be accepted pursuant to state statute.

REVENUE GENERATED

WHAT HAPPENS TO THE MONEY THAT THE LAND AND MINERALS DEPARTMENT BRINGS IN?

Total revenues minus total expenditures equals net proceeds, which are apportioned as follows:

- The county board may set aside no more than 30% for timber development.
- The county board may set aside no more than 20% (by resolution) to be used for economic development.

Remaining balance:

- 40% to the county's general fund
- 40% to school districts
- 20% to towns or cities

Each school district and township or city receives an apportionment equal to the percentage of revenues generated within the taxing district boundaries.

SALES AND PAYMENTS

Land and Minerals Department *St. Louis County, Minnesota*

When purchasing tax-forfeited property, the following fees apply:

AMOUNT DUE UPON SALE		
	Down Payment	10% of the total sale value or \$500, whichever is greater.

	Assessments	Check with city/town clerk for any additional assessments of which the Land and Minerals Department is not aware. If listed on sale listing as certified, assessments must be paid in full at the time of sale.
	Timber Value	Paid in full at the time of sale. Please note: The timber value increases the same percentage as the sale bid up.

QUESTIONS

1 WHAT HAPPENS IF A PROPERTY HAS AN UNSATISFIED MORTGAGE OR LIEN HELD AGAINST IT?

Regarding existing, unsatisfied, recorded mortgages or liens, it is advised that all buyers consult a real estate attorney prior to purchasing tax-forfeited properties with unsatisfied mortgages or liens held against them.

2 ONCE A PROPERTY IS ACQUIRED, IS THERE A REDEMPTION PERIOD BEFORE I CAN TAKE POSSESSION?

There is no redemption period once a property is acquired.

3 WHAT TYPE OF DOCUMENT IS ISSUED UPON SALE?

Once the financial obligations, paperwork and property conditions are satisfied, a state deed is issued by the Minnesota Department of Revenue.

4 WHAT IF A BID FALLS THROUGH?

We reserve the right to block/ban bidders who refuse to pay for land purchased. A winning bid constitutes a legally binding contract. Failure to make payment and submit paperwork within the allotted time frame may result in the sale going to the next highest bidder.

5 DO PRICES EVER CHANGE?

The county may reoffer individual unsold properties at periodically adjusted prices, based on market conditions, to the general public on an over-the-counter listing or at online auction until the properties are sold or withdrawn. Adjoining owners will not be re-notified when such price adjustments occur. It is the sole responsibility of any prospective buyer to monitor any potential price adjustments.

REAL ESTATE TAXES AND VALUATION

PUBLIC SURPLUS

- You will receive an email from Public Surplus after the auction closes. This will confirm your winning bid. **DO NOT** pay the amount generated by Public Surplus. (It may include sales tax. St. Louis County does not charge sales tax on tax-forfeited land sales.) We (St. Louis County Land and Minerals) will provide the correct amount due when we calculate your **FIGURES** (see below).

This can be done online at stlouiscountymn.gov/landsales, or on the pdf attached to the email. Registration must be received within ten (10) business days of the closing of the auction.
- Upon registration, we will generate your **PAPERWORK** and calculate your **FIGURES** (the total amount of the sale, including all fees), and your payment options. - If you choose the **CONTRACT FOR DEED** option, the down payment will be ten percent (10%) of the basic sale price or \$500, whichever is greater, PLUS the full value of timber and/or certified assessments and recording fee. Payments are annual, plus interest. The interest rate is eight percent (8%), as determined by state statute. The contract can be paid off at any time without penalty.

FAQ'S

How do I know if I am outbid?

As soon as a bid is placed higher than yours, you will be notified by email that you have been outbid. If you have placed a proxy bid, you are only notified once someone has beat your maximum amount.

How do I know if I have won?

After an auction ends, the winning bidder will receive an email from Public Surplus telling them they have won. Do not pay from the Public Surplus notification – St. Louis County does not charge sales tax on tax forfeited land sales. The St. Louis County Land and Minerals Department will also send you an email asking for a completed Registration Form in order to prepare your sale paperwork correctly and calculate the correct amount owed. It is your responsibility to promptly respond in order to complete the transaction in a timely manner.

How does proxy bidding work?

Proxy bidding means you set the maximum amount that you are willing to pay for a tract and Public Surplus automatically increases your initial bid for you in set increments. For example: an item that you would like to bid on is currently listed at \$60 with an increment level of \$5; you don't want to pay more than \$100. The proxy bid will set your first bid at \$65 so that you are the winning bidder. If another bid is made for \$75, the proxy bid will automatically increase your bid amount to \$80. It will continue until it reaches your maximum bid amount of \$100. If you have been outbid, you will receive notification through email.

Keep in mind:

St. Louis County reserves the right to block/ban bidders who refuse to pay for land purchased. Failure to complete registration or make payment and submit paperwork within ten (10) business days may result in the item going to the next highest bidder.

The failure or omission of any bidder to inspect the site or examine any form, instrument or document shall in no way relieve any bidder from any obligation in respect to their bid.

Remember: Your bid is the same as a contract - Please only bid on land you are serious about buying. **Bogus bidders will be blocked!** A winning bid constitutes a legally binding contract.

1. WITHDRAWAL: The right to withdraw or add any properties to this list is hereby reserved by the County Auditor.

2. BIDDING AND SALES:

A. PROCESS: All properties will be sold to the highest responsible bidder at auction. Bidding will begin at the minimum bid specified on the list. If a property is not sold at auction, it may be for sale, over-the-counter, on a first come, first served basis, or go to an online auction. The county reserves the right to reject any bidder who has defaulted on a land sale contract or is a prohibited buyer or bidder as defined below.

B. SALES: All sales are final, and no refunds or exchanges are permitted.

C. ERRORS: Buyer agrees to fully cooperate in adjusting for clerical or scrivener's errors on any documentation that is a part of this transaction, including, but not limited to, errors related to the amount of the purchase price or installment payments, the term of the contract or number of installment payments.

A person prohibited from purchasing property must not directly, or indirectly, have another person purchase a property on behalf of the prohibited buyer for the prohibited buyer's benefit or gain. If a person or entity pre-registers for the auction, the county will perform a search upon receipt of the registration forms to determine if the applicant is a prohibited buyer or bidder. DISCLAIMERS & TERMS

Land and Minerals Department *St. Louis County, Minnesota*

8. PROPERTY CONDITION:

A. SOLD "AS IS": All properties are sold "as is" and may not conform to local building and zoning ordinances. St. Louis County makes no warranty that the land is "buildable". It is the sole responsibility of prospective buyers to be fully informed prior to purchasing. Buyers are encouraged to contact the local land use and zoning authority where the properties are located for information about building codes, zoning laws, or other municipal information that may affect the properties. Buyers will be required to sign the "Buyer's 'As Is' Addendum" as part of the Terms of Sale, which will be available for review prior to the auction.

B. TESTING: Buyers are able to obtain authorization from St. Louis County to perform soil testing, at their own expense, before purchasing a property. The sale will not be rescinded if soil problems of any type are discovered after the sale.

C. LEAD: Some properties may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. If you are interested in purchasing a single-family dwelling built prior to 1978, you have the right to conduct a risk assessment or inspection for lead-based paint hazards at your expense at least ten (10) days before the sale date. Please contact the Land and Minerals Department, Government Services Center, 320 West 2nd Street, Suite 302, Duluth, MN 55802, Phone No. 218-726-2606, to arrange a time to conduct such assessment or inspection.

D. RADON WARNING STATEMENT: The Minnesota Department of Health strongly recommends that ALL homebuyers have an indoor radon test performed prior to purchase or taking occupancy, and recommends having the radon levels mitigated if elevated concentrations are found. Every buyer of an interest in residential real property is notified that the property may present exposure to dangerous levels of indoor radon gas that may place the occupants at risk of developing radon-induced lung cancer. Radon, a Class A human carcinogen, is the leading cause of lung cancer in nonsmokers and the second leading cause overall. The seller of any interest in residential real property is required to provide the buyer with any information on radon test results of the dwelling. St. Louis County has not performed and is not aware of any radon testing on properties offered for sale, unless otherwise noted. The county will provide a copy of the Minnesota Department of Health's "Radon in Real Estate Transactions" publication to any buyer of residential tax-forfeited property.

E. TITLE: Neither the county nor the State of Minnesota warrants the condition of title. Buyer will receive documentation regarding purchase at the time of sale and/or the Commissioner of Revenue will issue a deed from the State of Minnesota after full payment is made. Tax forfeiture will create a break in the chain of title. SELLER CONVEYS TAX TITLE, and the services of an attorney may be necessary to make the title marketable.

F. HAZARD MATERIALS INDEMNIFICATION: The buyer shall indemnify St. Louis County and/or the State of Minnesota for environmental contamination arising or resulting from the buyer's use and occupancy of the purchased property.

G. HISTORY: St. Louis County makes no representations regarding the history or condition of the properties offered for sale. It is the buyer's sole responsibility to research the history and condition of any property that buyer wishes to purchase.

9. TIMBER: For those properties for which there is an estimated volume of timber, the value of the timber must be paid in full at the time of purchase, in addition to the down payment stated above. If a property with timber sells for more than the list price, the amount bid in excess of the list price will be allocated between the land and the timber in proportion to the respective totals. The amount allocated to timber must be paid in full at the time of purchase. (Minnesota Statutes § 282.01 Subd. 4 (a) and Board Resolution # 1988-348)

10. MORTGAGES AND OTHER LIENS: Regarding unsatisfied recorded mortgages and other liens: It is advised that all buyers consult a real estate attorney prior to purchasing tax-forfeited properties with unsatisfied mortgages and/or other liens held against them.

11. WETLANDS AND FLOODPLAINS: St. Louis County has not performed any wetland delineation on properties offered for sale, unless otherwise noted. No refunds will be made due to presence of wetlands, floodplains, or any other environmental condition that may be present. It is the buyer's sole responsibility to research, inspect, and review a property prior to purchasing.

12. RESTRICTIVE COVENANTS: Some non-platted properties listed for sale may contain non-forested marginal land or wetlands as defined in Minnesota Statutes. The deeds for these properties will contain a restrictive covenant, which will prohibit enrollment of the properties in a state funded program providing compensation for conservation of marginal land or wetlands. Notice of the existence of non-forested marginal land or wetlands will be available to prospective buyers upon request.

13. INSURANCE: If buyer wishes to enter an installment contract for the purchase of property, annual proof of insurance will be required on all properties with insurable structures. Proof of insurance must be supplied to the Land and Minerals Department within 30 days of purchase, and notice must be given to the county within ten (10) days of cancellation of insurance.

14. REINSTATEMENT: If an installment contract is canceled and 50% or more of the principal (original sale price) has been paid, the former contract holder may request to have the contract reinstated. If less than 50% has been paid at the time of cancellation, reinstatement is not allowed. (Minnesota Statutes § 282.341)

15. MINERAL RIGHTS: All minerals and mineral rights are retained by the State of Minnesota when a tax-forfeited property is conveyed.

16. PERIODIC ADJUSTED PRICES: The county may reoffer individual unsold properties at periodically adjusted prices, based on market conditions, to the general public on an over-the-counter listing until the properties are sold or withdrawn. Adjoining owners will not be re-notified when such price adjustments occur. It is the sole responsibility of any prospective buyer to monitor any potential price adjustments.

17. LEGAL COUNSEL: In order to protect your legal interests, we recommend that you consult with a real estate attorney regarding installment contracts, title issues, boundary issues, assessments, mortgages, and other legal matters.

18. ACCESS: ST. LOUIS COUNTY MAKES NO REPRESENTATIONS, WARRANTIES, OR GUARANTEES WITH RESPECT TO ACCESS TO TAX-FORFEITED PROPERTIES OFFERED FOR SALE. ALL PROPERTIES ARE SOLD AS IS, WITHOUT WARRANTIES OR REPRESENTATION OF ANY KIND.
