## Lakeshore Commercial Overlay

St. Louis County Planning and Community Development

This overlay district is intended to outline areas on lakes where water related commercial activities are located and to identify the wide range of uses allowed within the overlay and what type of permitting is necessary. It is also intended to direct water oriented commercial uses to appropriate locations on the county's Recreational and General Development lakes and along the county's rivers. This district shall not be used along trout streams and other rivers with natural environment characteristics or Natural Environment lakes.
